DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, an award-winning educator with a keen interest in leadership and strategic planning, was named Centenary College's 34th President, August 7, 1991.

His efforts to maintain Centenary's reputation as one of the premier liberal arts colleges in the nation has resulted in enhanced student life and increased academic quality during his tenure.

Dr. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration (1988-91) after serving as Executive Assistant to the President for Institutional Planning (1986-88).

From 1970-1986, Dr. Schwab held administrative positions at Guilford College in Greensboro, NC. He was the Assistant Dean of Students and Director of Residential Operations (1970-74), Dean of Students (1974-80) and Assistant to the President for Institutional Planning and Community Relations (1980-86).

Dr. Schwab holds a doctor of education degree (1978) from Indiana University, master of education degree (1972) from the University of North Carolina-Greensboro and a bachelor of science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior.

Dr. Schwab and his wife, Patricia, who also has a doctorate in education, are the parents of three sons: Kempten, Carlton, and Christopher.

DR. DAVID BEDARD
Director of Athletics

Dr. David Bedard has served as the athletic director for Centenary College since 1999. In his short time at the helm, the college has seen significant improvements in athletic facilities and relations between the athletics department and the public.

Even though he was somewhat new to the athletic department when taking over, Bedard was a familiar face around Centenary, having been a professor in the health and exercise science department for more than 18 years. He begins his third year as the athletic director with a lot of things on his plate, foremost moving the athletic department into a conference in Division I of the NCAA.

In the time that Bedard has been AD, Centenary has added a new baseball facility (W. Peyton Shehee Stadium), new scorer's tables and chairs for the basketball and volleyball teams, grandstand seating for the softball team, lights for the soccer field, and a concession stand for baseball, softball, and soccer.

In addition to the improvements for the athletic teams, there have been some major renovations that have improved the entire athletic department. These upgrades include a new Gold Dome roof and the creation of a new Ladies and Gents Club reception area.

Bedard understands and can empathize with the student-athletes and coaches under his administration, having been both a student-athlete and a coach at Northwestern State University in Natchitoches, La. He was a three-time All-American gymnast and a gymnastics coach before moving on to get his doctorate in college teaching of health and physical education from Texas A&M University in Commerce.

Bedard is married to the former Carol Grant. They have two children: Emily and Julie.

CENTENARY COLLEGE HISTORY

ACADEMIC SUCCESS

Nationally recognized by U.S. News and World Report, Money Magazine, Peterson's Guide to Competitive College and others, Centenary College of Louisiana is noted for providing an environment for success, both for its students and its faculty.

Founded in 1825, **Centenary College** is the oldest private liberal arts institution west of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected.

Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 850 undergraduate students, while classes rarely exceed 30 in introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. Recently, a Centenary education was recognized in ***"U.S. News and World Report"*** as the best value among regional universities in the South. Centenary also ranks among the South's top universities in the magazine's "America's Best Colleges" issue.

Shreveport is located on the west bank of the Red River in northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex.

Centenary is located two miles from downtown Shreveport.

ATHLETIC HISTORY

Centenary has a treasured history in athletics, dating back to 1894 when the school fielded its first football team for a game with Louisiana State University.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0 record back in 1927 with a team coached by **Homer Norton**.

That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.

In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard was the most illustrious of the group, starring on championship teams and earning induction into the Pro Football Hall of Fame and the College Football Hall of Fame. He is a triple rarity in that he also is in the National Baseball Hall of Fame as an umpire.

Centenary discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues today.

TODAY

Centenary competes as an independent after leaving the Trans America Athletic Conference (established in 1978) after 21 years in the TAAC.

Centenary sponsors 16 men's and women's intercollegiate sports: baseball, basketball, cross-country, golf, rifle, soccer and tennis for men and cross-country, golf, gymnastics, rifle, soccer, softball, tennis and volleyball for women.

Women's basketball began in the 1999-2000 season.

In the 20-year history of the TAAC, Centenary won 11 Trans America Athletic Conference championships and one Fletcher Award for the conference's best all-around program.

Centenary is in the process of looking for a new conference. The college is considering several options and is engaged in current discussions with selected conferences.

For the remainder of the 2002 season, Centenary will continue to play as an independent and must rely on an at-large bid to make the postseason.

ED MCCANN
Head Coach

Ed McCann is in his fourth year as a head coach in the collegiate ranks after spending two years as an assistant coach at Centenary. While this is McCann's fourth year as a college head coach, he has 12 years of assistant coaching experience. McCann led the Gents to the TAAC tournament in the 1999 season, Centenary's last year in the TAAC.

McCann began his coaching career as the head coach of Manford High School in Oklahoma from 1979-86. He guided his teams to state playoff appearances from 1983-86 and won a state title in 1984. He was named Oklahoma Coach of the Year in 1985.

From there, McCann began his collegiate experience as an assistant at San Francisco State from 1987-91. McCann then moved on to Cal Poly-San Luis Obispo for the 1992-94 seasons and Ohlone College for the 1995-96 campaigns. He also was a volunteer coach at Stanford in 1992.

A Las Vegas, Nevada native, McCann attended Southeast Oklahoma State University where he graduated in 1977 with a double degree in physical education and english.

In high school, McCann was a three sport all-state athlete in football, wrestling, and baseball, and received all-American honors in football.

McCann, a former English teacher, has a strong commitment to his players' education. This commitment has helped his Gent squads to the highest team grade point averages in years.

"The guys have really gotten after it in the classroom over the past couple of years. It takes some adjustment time for a few players, but they realize the importance of good grades and what it can do for them after life on the baseball field."

McCann has excelled in his fundraising efforts on behalf of the baseball team and the athletic department. His accomplishments in this area are evident in the tremendous upgrade in facilities.

Under McCann's guidance, the baseball program has seen the construction of the Shehee Baseball Stadium completed. The new stadium includes seat-back chairs, a new press box, and a new sound system. In addition, McCann has successfully added new lights to the field and a brand new concession stand with restrooms.

" The new facilities give the guys something to play for and they realize that they are beginning a new era in Centenary baseball," said McCann.

In the past three years the Centenary baseball program has come a long way under McCann's guidance.

"We have recruited excellent student-atheletes both locally and nationally to help complete the turnaround of our program. In addition, with the improvements that have been made to our facilities, we are on our way to being a top-notch program."

McCann and his wife Debbie have two children: Brian and Chase.

BEN ADAMS
Assistant Coach

Coach Ben Adams enters his first season as assistant coach with Centenary College after coaching two seasons at Kalamazoo College.

Prior to Kalamazoo, Adams was an outfielder at Eastern Oregon University. He was named Most Valuable Player in 1999 while serving as team captain. In 1997, he earned Hitter of the Year honors in addition to being selected to the All-Cascade Conference Team. Adams was also named Most Inspirational and All-Eastern Conference while playing at Big Bend Community College in 1995.

Adams graduated from Eastern Oregon in 1999 with a degree in physical education and health. He also holds a masters degree in physical education-sports studies from Western Michigan University.

Adams will coach the outfielders in addition to assisting with the strength and conditioning program, recruiting, fundraising, and camps.

ALAN JORDAN
Assistant Coach

Coach Alan Jordan enters his first year as an assistant coach for the Gents. Jordan comes to Centenary after a successful playing career as a pitcher at Louisiana State University-Shreveport. He also served as the summer league coach for the Loyola College Prep Flyers.

Jordan's main focus will be to coach the pitchers and catchers in 2002. In addition, he will assist in recruiting, strength and conditioning, fundraising, and organizing camps.

Jordan is a native of Florien, Louisiana. He graduated from Louisiana State University-Shreveport in 2001 with a degree in education.

Coach Jordan would like to pursue a career in coaching and become a head coach in the collegiate or high school ranks.

BILL OSTERMEYER
Assistant Coach

Coach Ostermeyer will return as the hitting coach again this season for the Gents.

Ostermeyer played at Centenary under Andy Watson in 1989 and 1990 and helped his squad to back-to-back TAAC West Division championships. He was named to the All-TAAC team after both seasons in addition to being selected to the Louisiana Sports Writers' first team. He was crowned as the TAAC batting champion in 1990 after setting a Centenary record with a 19-game hitting streak.

Ostermeyer signed with the San Diego Padres, played four years in the minor leagues and was selected to the South-Atlantic League All-Star team.

Ostermeyer is married to the former Terri Lynn Duncan and has a son named Bill Ostermeyer Jr. Terri's parents, Bill and Linda Duncan, are the owners of Ditch Witch of Louisiana.

CENTENARY GENTS 2002 PREVIEW

The Centenary Gents are coming off of a successful season although the record may show otherwise. At 23-36-1, the Gents improved from the previous season by six wins. But if you take a closer look you would discover that the Gents saw major wins in 2001 over successful programs.

Last season, Centenary took two of three from Northwestern State to record the first Gent victories over NSU in several years. The Gents then continued to surprise by splitting with Louisiana-Monroe and Lamar. The biggest victory of the season, however, came in mid-March when Centenary knocked off 2001 College World Series participant Nebraska.

The Gents are led by seniors (back l to r): Robbie Buhl, B.J. Grenda, Mark Nonis, Nick Waak (front l to r): Seth Winterer, Dan Davenport, Bryan Treanor, and Blane Sessions.

With great victories to build on from last season, the Gents have their sights set on playing even a tougher schedule this year. The 2002 schedule features seven games against four teams ranked in the *Collegiate Baseball* top 40 poll.

The Gents' challenging schedule includes #5 Louisiana State, #10 Oklahoma State, #30 Texas A&M, and #38 California. In addition to the already ranked clubs, other established programs Centenary will face this season include Big-12 member Kansas, SEC member Arkansas, perennial Louisiana powers Louisiana-Monroe and Northwestern State, and Texas-Arlington, who made a NCAA Regional appearance in 2001.

INFIELD

The infield was hit hard with the departure of seniors from last year's squad and the Gents will look to new faces to fill the void in 2002. Up the middle, junior college transfer **Patrick Beale** will take over at second base while sophomore **Tony Cardone** will slide to shortstop after playing third base last season. Freshman **Ryan Yeary** could see time at either position.

"Patrick at second base really bolsters the middle of our infield and Yeary has a great glove for such a young player," said McCann.

Senior **B.J. Grenda** will make first base his full-time position after catching in 2001. Grenda was selected to the All-South-Central Region and All-Louisiana teams after hitting .374 while breaking several offensive records last season. Juco transfers will also fill the roles at third base and catcher as **Ryan Green** will take over at the hot corner and **Larry Branson** will accept the duties behind the plate.

"Ryan Green had a great fall. He is fearless and has a tremendous amount of pop in his bat and I've never had a catcher that can throw like Branson," said McCann of the duo.

Transfer **Ande Collup** will also see time at first base in addition to pitching and serving as the designated hitter at times.

OUTFIELD

The Gent outfield has a great deal of experience as upperclassmen will play at all three spots. Junior **Bobby Gilliam** will retain his position in left field after hitting .299 and posting an on base average of .430 last season. Joining Gilliam will be seniors **Dan Davenport** and **Seth Winterer** sharing time in right field and transfer **J.W. Pate** will play centerfield.

"J.W. brings very good insight to the game having come from a great baseball background and he has great instincts on the base paths," said McCann.

Offensively, Gilliam will continue to bat lead-off and Ryan Green will bat clean-up for the Gents. Grenda and Collup serve as the top threats from the left side and Winterer adds consistency after hitting .330 last season. The rest of the order will determine itself in the early days of the season.

PITCHING

The pitching staff looks to be much improved in 2002 with a great deal of added depth. Senior **Nick Waak** will serve as the workhorse after compiling 59.1 innings last year. The rest of the starting rotation will consist of left-handed juniors **Patrick Rhodes** and **Clyde Shields** and senior **Mark Nonis** who makes the transition from the bullpen.

Senior **Bryan Treanor** will take over at closer after starting in 2001. McCann expects good things fromTreanor who possesses a good fastball and has developed a slider over the summer. The rest of the relief staff will consist of **Blane Sessions, Tyler Robertson, Kevin Cassidy, Paul Kurpinsky,** and **Mark Williams**. Cassidy and Sessions appeared in 41 games between them in 2001. Collup and senior **Robbie Buhl** will serve as the mid-week starters.
